

Page 6

City Engineer John Quick said that Phase I of both the water and sewer projects should be finished within the week. The testing of the lines and the fixing of the leaks was almost completed on the sewer project. He stated that on the water project there is one section to be retested. He said that bids on Phase II of the sewer project would be let on Monday and that he hoped to have phase II of the water project in 2 or 3 weeks. It was mentioned that there is no electrical power as yet at the new sewer pump station.

There being no further business, Councilman Max Bennett MOVED to adjourn the meeting. Councilman Bird SECONDED the motion. All agreed and the Mayor adjourned the meeting at 11:40 p.m.

Page 2

the principal office of the governing body and had been provided to the Millard County Chronicle, the Millard County Gazette and the local radio station KNAK, and to each member of the governing body by personal delivery of copies of the Notice and Agenda two (2) days before to each of them.

#### MINUTES

The Minutes of a regular City Council meeting held August 16, 1982 were presented to the Council. Councilman Willis Morrison MOVED to accept the minutes as presented. Council Member Don Bird SECONDED the motion which carried unanimously.

#### ACCOUNTS PAYABLE

The accounts payable were presented to the Council members by Dorothy Jeffery, City Recorder. After the review, Councilman Don Dafoe MOVED to pay the current bills and Council Member Ruth Hansen SECONDED the motion which carried unanimously.

#### PROPOSED AGREEMENT ON CURB, GUTTER & SIDEWALK

City Administrator Vance Bishop explained that the State Highway Department funds a minimal amount of money each year to help cities and towns improve curb, gutter and sidewalks. However, the proposed contract would give Delta City \$1,012.00 for curb, gutter and sidewalk from 350 East to Jct. SR-6 and SR-50, a two block area. City Engineer John Quick stated that the estimated cost on the improvements project on the North side of Main Street from 350 East to 450 East at Highway 6 & 50 is approximately \$14,000.00. Councilman Don Bird MOVED to table the decision until more information is gathered from the State Highway Department. Councilman Don Dafoe SECONDED the motion and all members present agreed.

#### DALTON & ROSS: LITTER AND TRESPASSING NEAR HIGH SCHOOL

Mr. Keith Ross was asked by the Mayor to explain his complaint to the Council. Mr. Ross stated that there is a problem on his and on Mr. Keith Dalton's property across from the High School. He complained that some students park by the private property, play music loudly, throw litter and generally become nuisances. Mr. Dalton and Mr. Ross stated that they felt that this is not only a school problem, but a City problem as well. They proposed a fence be built at the edge of the curb. Other solutions suggested were to hire a school security guard, to close the High School campus, to engage a truant officer and regular patrol by City Police. Councilman Morrison suggested that perhaps the solution reached in Fillmore when there was a similar problem could be used in Delta. In answer to a question, Chief of Police Roy Wood stated that the violations under consideration are misdemeanors and must be seen by an officer or by a person willing to testify. Mr. Keith Dalton stated his willingness to sign a complaint, if necessary. It was decided that the street in front of the High School would be given no parking status by City ordinance. This will be a no parking, tow-away area between the hours of 8:00 a.m.

and 5:00 p.m.

OTHER BUSINESS

City Engineer John Quick discussed a proposed sidewalk at Third North Street and between 100 and 150 East. Mayor Nielson stated that LeAur Shields has indicated that he is willing to put in the section of sidewalk by his property, but he has not yet contacted Mr. and Mrs. Jay Bunker.

The Mayor mentioned to the Council that the Utah League of Cities conference would be held September 15, 16, 17, and 18, at the Salt Palace. There was discussion on who would be able to attend and where they would be staying.

Council Member Ruth Hansen told the others present that she had received a request for the City to fix the play equipment at the City park. City Administrator Bishop was given permission to survey the needs at the park and to have the needed repairs done. It was suggested that some civic group might take on the project of providing some needed new play equipment at the park.

The City Administrator stated that he has written a position description for the proposed City Recreation Director. He said that the starting wage would be about \$1,467 per month. Councilman Morrison read the position description which outlined the duties and responsibilities of a City Recreation Director. Councilman Don Dafoe MOVED that the City Administrator begin advertising for a City Recreation Director. Council Member Ruth Hansen SECONDED the motion which carried unanimously.

Councilman Morrison MOVED and Councilman Bird SECONDED a motion to adjourn the meeting. The Mayor adjourned the meeting at 9:33 p.m.
